Hello Paul,

I got your note. Thanks.

According to your reasoning I rate the investigative report done by Dr. Barraclough from Oct. 2015. Please send me as an email attachment as soon as possible.

I have never received a copy of the 4.02 complaint filed against Deb Rice. Dr. Crowley informed me that Dale Burke handled her investigation. I would like to get a copy of the complaint against her asap as well as an explanation why I have not been cc'd on the complaint letter to Deb Rice.

Thank you,

Sabina
