Subject: Complaint against Chancellor' Shields and Provost Throop at UW-Platteville

Good afternoon,

I need to file a complaint against our two senior administrators at UW-Platteville, against

(a) Chancellor Shields for harassment, retaliation, disparate treatment, misuse of funds, and violation of UWS policy and

(b) Provost Throop for retaliation, falsifying information, fabricating allegations, witness tampering, interference with the grievance process, interference with faculty governance, and lying under oath.

Thank you for your help,

Dr. Sabina Burton
