As previously mentioned there were no overloads or no current topics for scheduled fall semester. With Patrick Solar signing, I still hve 12 cj and 2 fi courses to find coverage for.

Subject: Current Topics

Tom,

I would like to teach a current topics course this fall. I have several students who inquired about cyber-crime but I'm not sure if I can still teach it as cyber-crime as been offered 3 x as a current topics so far (twice by Bob).

As alternative I have Domestic Terrorism which has been taught twice so far.

I am leaving for Germany Wed. (4/20) night and will take 2 sick days (Th, Fr.) to help my mom. Leaving Friday or Sat. would cost \$ 1000 more for airfare. I will prepare a substitute program for Police Function on Thursday and for Women & the Law on Friday.

Thanks,

Sabina
