Cheryl,

I don't know what happened by your email just showed up in my mailbox now stamped 4:34 pm on Wed. Strange ... I am getting ready for my 3 hour class at 5 pm but will take care of the contract for Chad tomorrow morning.

As you know I was hired for .25 grad teaching. If you disagree or know differently please state so in a reply. Pat Solar is teaching an online undergrad course as forth course this semester so I don't see what the issue is other than punishment for having filed a grievance. Please contact John Lohmann in this matter. He has my contract.

Thanks.

SB

Hi Sabina, I need your signed contracts emailed back to me this morning if you are still interested in teaching 7920 (Chad Johnson) and 7340 for Spring 2015.

I need to get them to the Chair and Dean for their signature later today to meet my deadline.

If you just want to sign 7920 (Chad Johnson) and the authorization form, please do so by this morning. I can find an adjunct faculty to teach 7340 if you do not feel to do it as an overload at this time.

Thanks Sabina,

Cheryl
