"Finally, I charge Dr. Caywood with inviting a speaker/workshop leader to conduct a workshop with department members on conflict resolution, civility, and team building to take place at some date before or near the beginning of the fall semester 2010. This will be a mandatory event for everyone in the department." (Dean Nimmoicks, 4/26/2010)

I have collected all department meetings and even asked the secretary for help. The meetings from that event were altered. Caywood made the minutes from Mittie's visit disappear ...

As I said the workshop has never been conducted. Nor has anyone followed up on the order. Aric Dutelle also ignored Dean Nimmoicks order.
