Aric Dutelle
Office of Sponsored Programs

Dear Mr. Dutelle,

Effective December 1, 2013 (reflected in your January 1, 2014 pay check) you will be granted a base salary adjustment, raising your annual salary to \$72,000.00. This increase in base salary reflects an equity adjustment based on salaries from comparable programs and peers within the UW-System, and does NOT include the last payment to be received for duties related to the Prior Learning Assessment (PLA) Grant.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Mittie Den Herder'.
