Tom, Sabina is refusing to meet tomorrow. I have emailed her and I am encouraging her to accept the award but I have advised her to stop making representations about a "cyber-security program."
Administration (not me) is also dealing with the website issue, but separately.

So no need for the 2 p.m. meeting after all.

Liz

Sabina:

Plesae see attached letter. It brings to light some of the issues about the events of next Monday and other concerns.
