Deb,

I need the following information for my complaint:

- (a) Who authorized your directed study with Alex Marsh in Fall 2013?
- (b) For how many credits did he signed up with you?
- (c) Did Alex pass the study? What was his grade?
- (d) What was the title of his paper/project? What was it for?
- (e) Who was the project turned in to?
- (f) Please provide me a copy of the paper of the directed study.

This is what I know: Alex told me that he is developing the itinerary for the German delegation's visit. He also wrote a letter for the Chancellor to officially invite the Germans. You never coordinated the project with me nor did you discuss it with me. You took over and I didn't spend much thought on the project teaching overload, grad. seminar and directed studies for other students.

Thanks for sending the info.

Sabina
