CJ Chair Assessment Rubric Form.xlsx;

Well,

I emailed our rubric to the powers above last Monday and heard nothing negative back. So we are good to go on reviewing people. Let me know if I did not get everything recorded as agreed upon.

We are set to meet at noon on Friday to review the applicants, 6 currently.

We have 2 internal candidates from the CJ department. As such, I would prefer not to meet in the CJ/Business meeting rooms. If someone finds another room in Ulsvik, great. If not, I have the room reserved in the Bear's Den of the student center again.

To do:

1. Please email me your filled out rubric by 10am on Friday so that I can assemble all of the data before the meeting.
2. I also need a list of phone interview questions by Friday at 10am so that we can finalize these.
3. Bring your calendars so we can determine when we can do phone/skype interviews... or have your calendars up to date on-line.

Tim
