To: John A Lohmann <lohmannj@uwplatt.edu>;

Thanks for the tip. This is a great new feature at UWP :)

I won't bother you today. Sounds like you are plenty busy. No need to meet on my side either. I tried loading the form but it doesn't come up. Can you send it to my as an attachment?

Thanks,

Sabina

Sabina,

I also wanted to let you know that we are now being served by a professional Employee Assistance Program company. The program is called LifeMatters. They have a masters level counselor on the phone (not a call service) 24/7. If you wish to take advantage of this the number is 1-800-634-6433. There is no call monitoring and we will never receive any identification of any employees who utilize the service. It is a nice benefit. I will be announcing more about it next week.

John

Hi John,

I don't think so. I only received one page and Dr. Bearse didn't indicate there was any other material.

I am still in the office. I can come up if that helps.

Sabina,

Sorry I missed you. I have your letter, but it says page 1 of 4. I only have page 1. Are there other pages I should have?

Thanks

John
