Hello Jessica,

I made some changes/additions to your press-releases. They are in bright green. Will you forward the releases to the Chancellor's office for approval or shall I do so? Dennis Cooley, Director of UWP Foundation will be out of town on Monday but Stacia Nemitz, the Development Officer who has worked with Tricia on the donation proposal will represent him.

Please call me or email if you have any questions.

Thank you,

Sabina

Hello Professor Burton,

I left you a voicemail, but thought I would follow up via email as well.

I work with Jim Jermain at AT&T and handle media / public relations for AT&T.

I've attached the draft press materials and event agenda I've prepared for Monday's check presentation for your review and feedback.

But I was also hoping to chat quickly over the phone. I have a few questions for you regarding Monday's event and thought it would be easiest to coordinate over the phone.

Please give me a call at 608-282-7870 when you get a chance.

Thanks so much for your time - I know it's very busy at the start of the spring semester.

Sincerely,

Jessica Erickson
