Chancellor Shields,

I would like to request a face to face meeting with you as soon as possible.

Yesterday evening I received your letter dated 26 July 2013 regarding my grievance. Since I am on a 9 month contract and the office situation has become so hostile I am avoiding Dr. Caywood and Mr. Dutelle as much as possible. I do not teach this summer so I do not have to be in my office. I respectfully request that further written communication regarding this matter during the summer months be either sent as email or to my home address instead of deposited in my departmental mailbox.

Thank you,

Sabina Burton
