Subject: Re: Documents for Grievance Committee

Hi Sabina,

I'll make a point of going into the office tomorrow afternoon to pick it up. Meanwhile, I will convene a meeting of the Grievance committee to create a committee to consider your grievance. I'll keep you posted.

Have a safe trip to Germany. Hope your mom will be okay.

Hello Mary Rose,

I have the entire package ready to go and will have it dropped off at your office tomorrow morning between 9-12 am. Please send me an email confirmation when you receive it.

I am leaving for Germany tonight checking up on my mom who fell down the stairs last week. I'll be back on April 2.

Best regards,

Sabina
