

BURTON, SABINA J; DOB: 6/29/1965; 47 yr F; ID# 6547061;
Encounter date: 10/12/2012 Location: Platteville MA;
Clinician of record: Alison Ragatz PA-C; Electronically signed by: Alison Ragatz PA-C

Medical Associates Clinic, P.C

BURTON, SABINA J

October 12, 2012

This letter is to verify that Sabina Burton does have allergic conjunctivitis and very sensitive dry eyes. These symptoms would improve if patient was able to use more natural light rather than the flourescence. I appreciate you consideration for this employee in transitioning her to a different office as space allows.
